## Letter of Reference

Mr. Florian Sebastian Jenny, born on October 25, 2000, completed an internship at TRANSLINK Corporate Finance GmbH & Co. KG from June 23, 2025 until September 19, 2025. TRANSLINK Corporate Finance GmbH & Co. KG is the exclusive German member of TRANSLINK Corporate Finance International AG and is active in the areas of Mergers & Acquisitions and Corporate Finance. TRANSLINK is an independent partnership dedicated to Corporate Finance advisory services through offices in the principal markets of Europe, the United States, Latin America, the Middle East, South Africa, India, Japan, China, and Australia. TRANSLINK has been successful in advising clients on hundreds of transactions since its founding in 1972. In the last 10 years, transactions with a total volume of about 3 billion Euros were advised by TRANSLINK. The typical transaction size of projects is between 10 and 200 million Euros. Clients of TRANSLINK are medium-sized companies and international corporations.

During his time in our firm, Florian gained a comprehensive insight into multiple ongoing buy-side and sell-side M&A projects in various industries and was mainly involved in the following tasks:

- Research on potential acquisition targets or potential buyers in Germany in collaboration with TRANSLINK offices
- Preparation of longlists and shortlists considering the acquisition strategy of the respective buyer
- Preparation of financials in Excel and PowerPoint in the context of cross-border M&A processes
- Preparation of pitch presentations and teasers of acquisition targets
- Support in the preparation of information memoranda
- Assistance in the preparation of an electronic dataroom including screening and review of the data and allocation of documents to the appropriate dataroom structure
- Support in preparing valuations based on transaction multiples and peer group analyses

Florian has an extensive and in-depth knowledge in the field of financial analysis. His educational background enabled him to address new tasks in a flexible, structured and autonomous way. We were always very satisfied with his performance. Furthermore, he impressed us with his high commitment and flexibility as well as with his systematic approach. During his internship, he made himself familiar with the major tools and databases (e.g. D&B and Comparables.ai).

Florian always demonstrated a high degree of initiative and consistently identified with his assignments as well as with the firm. He also impressed us with his strong motivation. Even under difficult conditions, he accomplished his tasks in an outstanding manner. He showed the ability to quickly adapt to varying requirements of different tasks and helped us improve operational procedures and quality standards by using his creativity.

He showed his outstanding social competence and ability to work in a team. His behavior was always exemplary, and his friendly and open personality was appreciated by everyone in the team. Florian always completed the tasks assigned to him to our utmost satisfaction.

We would like to take the opportunity to thank Florian for his high level of commitment and valuable contribution during his internship. We wish him every success in the future.
