Letter of Reference

To whom it may concern,

please accept my recommendation of **Julian Pils**. I have been a member of the community and currently serve as one of the three Chairmen of *Youth of Economics*. I worked with him during his Time as Founder and Chairman of *Youth of Economics* from 01.03.2023 to 31.12.2024.

His primary duties included the following:

- **Organization and coordination of monthly meetings at various locations**
- **Recruitment and management of the selection process**
- **Development and execution of engaging programs for participants**
- **Invitation and coordination of guest speakers, including business owners and representatives from the local community**

In his performance, Mr. Pils has shown excellent and highly versatile leadership and organizational skills, which he applied confidently and always in a targeted manner. He demonstrated remarkable comprehension abilities, creativity, and a strong entrepreneurial mindset. Particularly noteworthy is his ability to structure complex processes with analytical precision, making him an independent and balanced leader even in challenging situations.

Mr. Pils impressed with his consistently high commitment and his readiness to assume responsibility beyond expectations. He effectively managed a broad workload while working prudently, conscientiously, and with consistent accuracy. His absolute reliability and problem-solving competence ensured that unforeseen challenges were always addressed successfully. Overall, he fulfilled his tasks to our complete satisfaction in every respect.

His personal conduct was impeccable at all times. Due to his collegiality, helpfulness, and integrity, he was highly appreciated among peers and partners. Mr. Pils has been an exemplary representative of Youth of Economics, and I can recommend him without reservation to any future institution or employer. We wish him continued success and all the best for his future career.

Manuel Huber (Chairmen since 2025)
