

INTERNSHIP AT NALKA DACH - Q3 / Q4 2025

About Nalka

Nalka invests in small- and medium-sized private businesses, based in the Nordic and DACH regions, but often with an international reach and ambition. We develop independent, competitive and long-term profitable companies through commitment and cooperation. On paper, we are owners. In practice, we are first and foremost a partner to our companies. Business development and value creation is a team sport and we do not only want to be spectators.

Our role is shaped by the specific needs of each company, but it is always active. We support our companies in strategic and select operational issues by providing capital and expertise in order to achieve our common goals. We are 23 dedicated co-workers and have two offices in Stockholm and Munich, managing 12 portfolio companies with revenues ranging between EUR 50 million and 1+ billion.

Nalka was founded in 2009 but the history behind our firm stretches back to 1943 and Småland. By way of our owner, Interogo Holding AG, we share a common heritage with Inter IKEA. Nalka Invest's daily operations has no connection to the IKEA brand or stores, however the heritage is evident in our values and in our culture.

Nalka DACH

Nalka's DACH office was established in Munich in September 2022. We are now a team of 6 co-workers dedicated to strengthen Nalka's activities in the DACH region. In March 2023, we announced our first investment, Norres Baggerman Group, an industrial hose provider based in Germany with a global footprint.

We are now looking for one or more Interns to join our young and growing team in Munich, who will become an integrated team member from following and executing investment opportunities to shaping the firm culture with high entrepreneurial spirit in a dynamic environment.

Candidate profile

Our Interns contribute to all central aspects of our job, including investment evaluation, financial analysis, market and company research, sector searches and development of our current portfolio holdings. **The internship's duration shall be at least three months.** However, we are happy to discuss on an individual basis as well. We are looking for co-workers that:

- *Are ambitious and driven with a strategic and financial mind-set that appreciates a high work pace*
- *Enjoy to work independently and drive own initiatives and workflows forward*
- *Are third year bachelor or master student with previous experience from investment banking, private equity and/or management consulting*
- *Native German speakers who communicate fluently in English, and are highly comfortable with Excel and PowerPoint*

We look forward to hearing from you! Please send your application including a short CV and cover letter to career.munich@nalka.com, interviews will be held on an ongoing basis.
