31 March 2025

Letter of Recommendation: Mr Artin Nahreyni

To Whom It May Concern

Mr Artin Nahreyni was employed as an intern at d-fine GmbH from 01 January 2025 until 31 March 2025.

d-fine is a European consulting company with over 1,500 employees and a growing international presence with eleven offices distributed across seven countries. Our projects focus on quantitative challenges in data analytics, data science, modelling, and the development of sustainable technological solutions. Our approach is based on over 20 years of practical experience and dynamic teams with an analytical and technological focus.

In his position, Mr Nahreyni supported the implementation of an AI-driven process performance analytics tool for a customer service process of a major commercial vehicle manufacturer and carried out the following tasks:

- Conduction of data cleaning and preprocessing using Python (Pandas, Pyspark) and LLMs (several GPT models from OpenAI) in Azure Databricks
- Utilization of Celonis for process mining and the analysis of process adherence
- Assistance with predictive machine learning models (e.g., Meta Prophet), including a time series forecasting model, to predict trends and values based on historical data

- Active participation in working sessions and client meetings, along with the presentation of results

Mr Nahreyni proved to be a very capable, dedicated and enthusiastic intern with a high commitment and readiness to take on responsibility. We were particularly impressed by his quick grasp and ability to quickly acquire and apply new technical and business topics. Mr Nahreyni performed very well and made a visible contribution to the project's success.

Mr Nahreyni always fulfilled his tasks to our entire satisfaction. His conduct was professional and impeccable. We can, with great pleasure and without any hesitation, recommend him to any other employer.

We thank Mr Nahreyni for his commitment and wish him the same success in all his future endeavours.

We would be very happy to welcome him back after the completion of his studies.
