

Dear Spring Insight Joiner

Further to our recent discussion, we are delighted to offer you a position on the Morgan Stanley 2023 Frankfurt Spring Insight Programme.

The Morgan Stanley Institutional Securities Spring Insight Programme is designed to provide you with an introduction into our industry and show you what it is like to work at Morgan Stanley. Over the course of the programme, you will gain a comprehensive insight into the different divisions that make up Institutional Securities, providing you with an opportunity to experience first-hand what working at Morgan Stanley would be like.

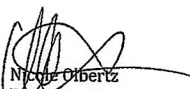

Through divisional overviews, interactive case studies and networking we hope you will be able to learn from our industry leading teams and in turn build a solid understanding of our different business units.

Please read the enclosed documents and return a signed copy of this letter to Michaela.McInerney@morganstanley.com to confirm your understanding of these documents by **Friday, 20th of January**. While you will not be an employee by the definition set out in these documents, you are expected to abide by the same terms as a participant of this programme.

We would like to take this opportunity to congratulate you on your offer and look forward to welcoming you to Morgan Stanley.

Should you have any queries relating to any of the information enclosed, please do not hesitate to contact us.

Yours sincerely
