Singular is a great platform for the next step in your career

Fastest industry track to Partner

A **growing business** allows for a **fast promotion** (project manager to **partner** in **4 years**) as **additional leaders are required to support growth**

Entrepreneurial freedom

Consultants have the opportunity to **fast-track** their career by **developing new products** and **approaching new clients** and/ or **business fields**

International environment

Singular's network of **4 offices** (Germany, Switzerland, South Africa, and Russia) allows for **location flexibility** in the form of **office secondments**

Strong Private Equity exposure

Singular built a **multi-family office** with investments in the Private Equity sector, **consultants** have the opportunity to **co-invest in attractive deals**

Project flexibility

Healthy mix of **investment advisory** and **corporate strategy** projects allowing for phases of both **remote work** and **intensive travelling**

Singular looks for personalities who...

...possess a **healthy mix** of **self-confidence**, **humor**, and **modesty**

...show **real ambition** to **grow** both **personally** and **professionally** while bringing **entrepreneurial spirit** to the table

...are willing to **work in a familial environment** (everyone knows everyone) to **move forward together** as a team and company

...want to find themselves in the mix of **top tier strategy consulting DNA** and **start-up spirit**

...enjoy **developing** themselves at Singular and also support **young consultants in their professional and personal development**
