EDUCATION

FH Joanneum

Bachelor of Arts in Banking and Finance

Graz, Austria

09/2023 – present

- GPA: 1.6 / 4.0 (in a 5-point grading system with 1 as the best possible grade)
- Relevant Coursework: Investment & Financing, Quantitative Financial Analysis, Business Valuation

PROFESSIONAL EXPERIENCE

Raiffeisen Bank International

Intern in Structured Finance & Investment Banking

Vienna, Austria

08/2025 – 08/2025

- Completed a structured internship program with an introduction to different areas of investment banking, while working primarily with the Real Estate Finance team on live projects
- Selected Project Experience:
 - Real Estate Portfolio in Czech Republic
 - Developed and tested a financial model assessing projected cash flows, financing terms, and debt service capacity; analysis supported the team's evaluation of the project's investment feasibility
 - Commercial Construction Project in Slovenia
 - Prepared financial analyses and deal materials, and conducted market research on the Slovenian property sector; findings used in internal and client deliverables

KPMG

Intern in Financial Risk Consulting

Vienna, Austria

03/2025 – 06/2025

- Gained hands-on experience in credit risk modeling and portfolio analysis, delivering tools and quantitative insights that supported management decision-making and regulatory compliance
- Developed a credit risk rating tool in R to evaluate loan and client data, producing transparent creditworthiness assessments and enabling dynamic monitoring of rating changes
- Conducted quantitative analysis of securitized loan portfolios and liquidity positions for ECB-supervised banks; findings were distilled into management-level presentations and informed implementation of resolution planning measures

Deloitte

Intern in M&A Transaction Services

Vienna, Austria

10/2024 – 03/2025

- Contributed to financial due diligence and transaction analysis, including review of financial statements, cash flows, and debt structures, with results presented in client deliverables for live M&A mandates
- Supported a €300m carve-out transaction by conducting commercial and financial due diligence; analyzed standalone operations and prepared materials incorporated into client deliverables
- Delivered key outputs for a €1bn corporate due diligence, preparing company overview materials, normalizing EBITDA, and developing pro forma cash-flow analyses used in management presentations and deal evaluation

EXTRACURRICULAR ACTIVITIES

WUTIS

Associate in Equity Research

Vienna, Austria

10/2024 – present

- Developing detailed financial models and comprehensive equity research presentations to assess and present investment opportunities
