

Internship – Strategy / Consulting #196041

Your program's highlights

Our Internship Program is open to students who want to gain practical experience in one of the various career fields at the heart of the financial services industry. Over the course of this in-depth, comprehensive program you make valuable contributions to the bank's work, develop skills, expand your knowledge and grow in confidence. You participate in networking events, shadowing days, real-world business challenges and demanding tasks to enhance your experience. By the end of the program you gain a rich, varied insight into our work at Credit Suisse and the industry in general.

Start date: upon agreement

Duration: 4 to 6 months

Academic requirements: Completed at least four semesters of a bachelor's degree or currently enrolled in a master's degree from a university, ideally in business, finance, economics or engineering.

Your field of responsibility

Are you interested in kick-starting your career and working on cutting-edge banking topics jointly with the management of an industry-leading bank? Then this is your chance!

You will create tangible strategic impact, developing a wide range of management consulting skills and taking responsibility for key project deliverables across strategy definition, concept development and implementation.

You will collaborate with business partners across our Swiss businesses to drive strategic change in close interaction with management – we offer you a platform for starting to develop your network, an ideal stepping stone to fuel your future career development!

Your future colleagues

We are a team of international professionals that offers a unique combination of strategy consulting and project management expertise with a deep knowledge of the banking industry. We believe in being proactive, communicating openly and taking ownership, independent of how far along you are on your career path. Teamwork is at the core of what we do, we are convinced that we can best serve our clients and business partners through collaboration and by building trust-based relationships. We are a department which values Diversity and Inclusion (D&I) and is committed to realizing the firm's D&I ambition which is an

and is committed to realizing the firm's D&I ambition which is an integral part of our global cultural values.

Your qualifications and skills

Are you the perfect fit for this role in the Strategy department?
Now is your chance to show us how your skills, experience and attributes are just what we are looking for:

You have an above average academic track-record

You are structured, you enjoy problem solving, and you have a strong focus on solutions

You have excellent analytical skills

You like challenges, you have high energy, a positive personality and can-do attitude

You enjoy working collaboratively in a team environment and embrace diversity

You have a strong interest in the financial services industry

You are able to communicate complex ideas effectively

You are fluent – both verbally and in writing – in English and preferably also in German

You are dedicated to fostering an inclusive culture and value diverse perspectives

Mrs. K. Steiger would be delighted to receive your application.
Please apply via our career portal.

Your new employer

Your growth is our priority. Credit Suisse offers you the ideal environment to start a successful career, attractive benefits, excellent training and managers to support your development.

We are a leading wealth manager with strong global investment banking capabilities founded in 1856. Headquartered in Zurich, Switzerland, and with more than 45,000 employees from over 150 nations, we are always looking for passionate people to make an impact for our clients and communities.

Credit Suisse is an equal opportunity employer. Welcoming diversity gives us a competitive advantage in the global marketplace and drives our success. We are committed to building a culture of inclusion with a deep sense of belonging for all of us. We will consider flexible working opportunities where possible. Our bank provides reasonable accommodations to qualified individuals with disabilities, as well as those with other needs or beliefs as may be protected under applicable local law. If you require assistance during the recruitment process, please let your recruiter know.
