Letter of Reference for Mr. Noah Kitzinger

To whom it may concern,

I had the opportunity to cooperate with Mr. Noah Kitzinger during his internship in our department CF R WEA from 16/09/2024 to 11/12/2024.

Mr. Kitzinger quickly familiarized himself with the processes and procedures in the accounting governance area. He absorbed new information rapidly and actively followed up on any open points. He showed a strong willingness to learn and applied newly gained knowledge effectively in practice. His ability to prioritize, support and manage activities, even under time pressure, was commendable.

His high level of curiosity and proactive communication contributed significantly to his success and showed initiative not only during the internship itself, but also in the preparatory phase, reaching out to colleagues in advance to ensure a smooth start. Mr. Kitzinger maintained open and respectful communication with all stakeholders and adapted quickly to new teams and environments.

He approached discussions with confidence and presented complex topics fluently and professionally. Notably, he participated in a team-wide meeting where he confidently delivered a presentation and responded to critical questions, leaving a strong impression on the audience.

Mr. Kitzinger's organizational and interpersonal skills were consistently evident. He communicated clearly about his availability and ongoing activities, contributed constructively to team dynamics, and was well-liked by both colleagues and supervisors. His adaptability, engagement, and professionalism made him a valued team member throughout the internship.

Mr. Kitzinger's conduct was always exemplary. He was a dedicated and respected intern within our department, and I am pleased to recommend him without reservation. We wish him all the best and continued success in his professional future.
