About ECCO Group

The European Corporate Cave Out Group (ECCO Group) specializes in acquiring neglected and underperforming business units, focusing on creating sustainable value through financial investments and operational improvements. With a dynamic and experienced team, ECCO targets companies with significant potential for transformation and growth. We adopt a startup mentality, empowering our team to work collaboratively, take initiative, and drive impact. Our firm offers a unique blend of investment expertise and hands-on operational support to help businesses unlock their full potential.

Your Role

As a private equity intern, you will work alongside our investment team, gaining deep insights into the full lifecycle of private equity transactions and contributing directly to the firm's success. Key responsibilities include:

- Evaluating potential investment opportunities through due diligence, business plan analysis, and company valuations
- Conducting comprehensive market and competitor analyses across diverse industries
- Assisting in the development of operational strategies and efficiency improvement plans for portfolio companies

- Supporting all phases of M&A processes, from acquisition to successful exit, including financial modeling and deal structuring
- Collaborating with senior team members on strategic initiatives and value enhancement projects

Your Profile

- Currently enrolled in or recently graduated from a program in Finance, Economics, Business, Engineering, or a related field
- Strong analytical, quantitative, and problem-solving skills
- Proficiency in MS Office, particularly Excel and PowerPoint
- Previous experience in private equity, investment banking, corporate finance, audit or consulting is an advantage
- Fluent in German and English, with excellent communication skills
- Proactive, entrepreneurial mindset with a strong work ethic and team-oriented attitude

Why join ECCO Group

- Join a new and exciting firm with the potential for rapid growth
- Gain hands-on experience and a steep learning curve in private equity and restructuring
- Work directly with experienced investment professionals and the founders on live transactions
- Take on responsibility at an early stage and come into contact with consultants, business partners and management
- Enjoy a collaborative and dynamic work environment with opportunities for personal and professional growth
- High-performing interns may be considered for full-time analyst positions
