

Enpal Montage GmbH
Koppenstraße 8
10243 Berlin

Employment Reference.

Mr. [REDACTED] born on 07.10.2001, was employed at Enpal Montage GmbH as: Intern in the Growth department, from 17.06.2024 to 23.08.2024.

Enpal, the first Greentech unicorn in Germany, offers an integrated overall solution for renewable energy, thus pioneering the energy transition. Since 2022, the profitable company holds a leading market position for solar systems in the German private segment, with the construction of several thousand new energy systems every month.

[REDACTED] successfully undertook the following tasks:

- Daily reporting of several financial KPIs for the management
- Creation of a tracking sheet in Excel to record the productivity of over 500 fitters & electricians in the company
- Creation of a forecasting model in Excel for the personnel planning and costs of over 600 employees in close cooperation with the respective department heads
- Preparation of analyses of the company's cash flows and accrued costs
- Determination of provisions for damage costs in the vehicle fleet based on historical data for the accounting team

He possesses excellent expertise, which he applied with utmost efficiency and accuracy.

[REDACTED] was highly motivated and demonstrated an exceptionally high level of initiative and willingness to perform.

He consistently worked very efficiently, purposefully, and meticulously, demonstrating outstanding organizational skills. His work results were consistently of very good quality, even under changing requirements and very difficult conditions.

Even in situations with very high workload, [REDACTED] proved to be a very resilient employee, always acting thoughtfully, calmly, and goal oriented.

He was equally valued by superiors, colleagues, and external parties. He always behaved loyally towards the company and convinced with his personal integrity. His behavior was always exemplary. In his dealings with external parties, [REDACTED] distinguished himself by extremely professional conduct.

[REDACTED] always completed his tasks to our fullest satisfaction and met our expectations in every respect.

[REDACTED] will leave our company upon expiration of the agreed-upon notice period.

We thank [REDACTED] for his consistently outstanding collaboration and deeply regret losing him as an employee. We wish him all the best and continued success in his future professional and personal endeavours.

Berlin, 23.08.2024
