

Certificate of Employment

ESB Investment Club e.V.

This is to certify that Mr. Münch served as an Analyst in the NoLimit Fund at ESB Capital from March 2025 to June 2025.

ESB Capital is an integral part of the ESB Investment Club e. V., the largest student initiative at Reutlingen University with over 500 members. The club serves as a cross-faculty platform for financial knowledge, personal development, and social exchange.

ESB Capital focuses on financial education through practical learning, offering opportunities such as the management of virtual funds and the participation in various investment-related workshops. Its mission is to go beyond theoretical financial concepts and to build a community of students who share a strong interest in investment management and are committed to applying and expanding their knowledge in practice.

Throughout his tenure, Mr. Münch demonstrated exceptional proficiency and dedication in his role. His main responsibilities within ESB Capital were:

- Conducting comprehensive equity and market research using FactSet to support investment decisions.
- Performing in-depth company analyses to identify and evaluate attractive investment opportunities.
- Preparing and presenting investment findings to the fund team during weekly meetings.
- Actively participating in critical discussions of presented research and contributing to investment decisions and portfolio reviews.

Mr. Münch approached his responsibilities with a high degree of autonomy, diligence, and precision, consistently delivering results that exceeded expectations. His work was of consistently high quality, and he exhibited remarkable dedication in team collaboration.

He conducted himself towards supervisors and colleagues with notable professionalism, respect, and a positive attitude. As an Analyst, Mr. Münch consistently demonstrated strong initiative and delivered work of excellent standard.

His methodical and goal-oriented approach enabled him to make a substantial contribution to the fund's performance. Moreover, he proved to be exceptionally dependable and fulfilled all responsibilities to our complete satisfaction.

We express our appreciation for Mr. Münch's dedicated service and commend Mr. Münch for his valuable contributions to the ESB Capital. We wish Mr. Münch all the best for his professional and personal future.

Reutlingen, 22. July 2025
