Mr. Florian Reidmann,
born in Osnabrück on 27th January 2001,

entered into our organisation as an intern on the 5th January 2026. Mr. Reidmann was required to contribute to the analysis and execution of various mergers and acquisitions mandates, including sell-side mandates in the Consumer, Industrials and Chemicals and Healthcare sector as well as Debt Advisory mandates and several marketing processes.

Clearwater International GmbH ("Clearwater") is one of the leading independent corporate finance advisory firms in Europe, with 20 offices worldwide, including locations in Frankfurt am Main and Munich in Germany. With more than 425 employees, Clearwater offers its clients a comprehensive range of advisory services related to Mergers & Acquisitions as well as Debt and Equity Financing. Its services are targeted at medium-sized companies, large corporations, private equity investors, and the public sector. Clearwater has extensive expertise, having successfully completed more than 3,100 M&A transactions and financing deals across a wide range of industries, such as Automotive, Industrials, Chemicals, Business Services, TMT, Energy and Utilities as well as the Consumer sector.

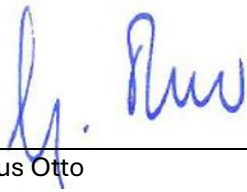

In particular, Mr. Reidmann supported us with the following tasks:

- Assistance in the preparation of a banking book for a Debt Advisory mandate
- Undertaking of project related company research and preparation of comprehensive company presentations within various sectors
- Support of the preparation and refinement of client pitch materials, including financial analyses such as Comparable Company Analyses (CCA) and Comparable Transaction Analyses (CTA)
- Preparation of company profiles and market analyses based on secondary data from various sources such as annual and broker reports, Mergermarket, Pitchbook and Capital IQ
- Assistance in sell-side processes by compiling and structuring long lists of potential investors

Mr. Reidmann has been a committed employee who has undertaken his tasks with initiative, responsibility, energy and due care. He has approached his work with analytical mind and good understanding of corporate finance. He has displayed resilience, ability to learn, determination and has identified himself with his work.

Through his confident and natural manner and his helpful nature, Mr. Reidmann gained the respect of his colleagues and has become a highly valued member of the team and it has been a pleasure working with him.

Mr. Reidmann left Clearwater International GmbH on 31st March 2026. We wish him all the best of success for the future and thank him for his valuable contribution.
