

INTERNSHIP EVALUATION REPORT - MAXIMILIAM KLEE

Evaluator: A. Adriano Carbajal Romero

Evaluator's Position: MD Customer Support and Student Mentor

Employee Summary:

Maximiliam Klee has been an intern with our company for a year and a half, standing out for his commitment and skills in various areas. His proactivity and organization have been key to his performance, making him a valuable member of the team.

Functions Developed:

1. **Vendor/Client Registration/Modifications:**

Maximiliam has efficiently managed the registration and modifications of vendors and clients. His attention to detail has ensured that information remains up-to-date and accurate, contributing to a smoother workflow.

2. **Communication with Different Destinations:**

His ability to communicate effectively with various destinations has facilitated the coordination of operations. Thanks to his linguistic skills, Maximiliam has been able to establish clear and effective communication, thereby optimizing processes among stakeholders.

3. **Training and Support for New Employees:**

He has actively contributed to the training and support of new employees, generously sharing his knowledge and experience. His friendly approach and willingness to help have been a great asset to the team.

4. **High Proactivity and Organization:**

Maximiliam's proactivity and organization in his daily work have been exemplary. He has anticipated needs and implemented solutions before issues arise, benefiting the team's dynamics.

Conclusions:

Maximiliam Klee has proven to be a valuable asset during his time with us. His ability to manage multiple tasks, focus on continuous improvement, and dedication to teamwork make him an ideal candidate for any future role. Undoubtedly, his contribution has left a positive mark on our organization.
