Letter of Reference

Mr. Philipp Emmanuel Klement, born on [REDACTED] completed an internship at TRANSLINK Corporate Finance GmbH & Co. KG from August 19, 2024 until January 31, 2025. The internship is an integral part of the International Business Administration bachelor's degree program at Tilburg University.

TRANSLINK Corporate Finance GmbH & Co. KG is the exclusive German member of TRANSLINK Corporate Finance International AG and is active in the areas of Mergers & Acquisitions and Corporate Finance. TRANSLINK is an independent partnership dedicated to Corporate Finance advisory services through offices in the principal markets of Europe, the United States, Latin America, the Middle East, South Africa, India, Japan, China, and Australia. TRANSLINK has been successful in advising clients on hundreds of transactions since its founding in 1972. In the last 10 years, transactions with a total volume of about 3 billion euros were advised by TRANSLINK. The typical transaction size of projects is between 10 and 100 million euros. Clients of TRANSLINK are medium-sized companies and international corporations.

During his time in our firm, Mr. Klement gained a comprehensive insight into multiple ongoing buy-side and sell-side M&A projects in various industries and was mainly involved in the following tasks:

1. Research on potential acquisition targets or potential buyers in Germany in collaboration with other international TRANSLINK offices
2. Preparation of longlists and shortlists considering the acquisition strategy of the respective buyer

3. Preparation of financials in Excel and PowerPoint in the context of cross-border M&A processes
4. Preparation of pitch presentations and teasers of acquisition targets
5. Support in the preparation of information memoranda
6. Support in preparing valuations based on transaction multiples and peer group analyses

In addition, Mr. Klement conducted an extensive internal study on the implementation of Artificial Intelligence (AI) at TRANSLINK, analyzing the firm's specific requirements for AI, researching suitable AI tools, and performing a detailed quantitative analysis of AI solutions for M&A research. His work culminated in a comprehensive report, which included a well-supported practical recommendation that ultimately led to the purchase of the proposed AI tool.

Mr. Klement has an extensive and in-depth knowledge in the field of financial analysis. He constantly performed on the tasks assigned to him and completed them swiftly, independently and efficiently. We were always very satisfied with his performance. Furthermore, he impressed us with his high commitment and flexibility as well as with his systematic approach. During his internship, he made himself familiar with the major databases (e.g. Mergermarket and D&B). Moreover, Mr. Klement created highly professional and excellent PowerPoint presentations.

Mr. Klement always demonstrated a high degree of initiative and consistently identified with his assignments as well as with the firm. He also impressed us with his strong motivation. Even under difficult conditions, he accomplished his tasks in an outstanding manner. He showed the ability to quickly adapt to varying requirements of different tasks and helped us improve operational procedures and quality standards by using his creativity. In the context of interacting with clients and colleagues, he also impressed us with his excellent communication skills in German and English.

He showed his outstanding social competence and ability to work in a team. His behavior was always exemplary and his superiors, colleagues and clients esteemed him.

Mr. Klement always completed the tasks assigned to him to our utmost satisfaction.

We thank Mr. Klement for his cooperation and wish him all the best and continued success for his professional and personal future.
